

JAY DAMANIA

Export Documentation & Logistics | Shipping Operations | AI-Powered Automation

SUMMARY

I manage exports from start to finish — booking shipments with shipping lines and forwarders, preparing pre-shipment paperwork, and completing post-shipment documents for buyers overseas. I also use Python and AI tools to automate this work: I've built 12+ tools that turned hours of manual documentation into a few seconds. I'm looking for a role in export documentation, logistics, or shipping operations where I can keep doing both.

EXPERIENCE

Business Analyst – Export Documentation & Logistics, Welspun, Vapi

Apr 2025 – Present

- Book shipments with shipping lines and freight forwarders, and plan containers around cut-off dates and dispatch schedules.
- Prepare pre-shipment documents — Commercial Invoice, Packing List, Shipping Instructions, VGM, and draft Bill of Lading — meeting buyer and LC requirements before cut-off.
- Complete post-shipment work: final Bill of Lading, Certificate of Origin, and sending documents to buyers and banks.
- Work with the CHA (Customs House Agent) on shipping bill filing and customs clearance, so shipments clear on time.
- Run the customer portal and check CI, PL, and BL requests for accuracy and QC compliance.
- Built 12+ Python and Selenium tools that automated documentation, finance, and portal tasks — cutting hours of work down to seconds.
- Coordinate daily with commercial, QC, warehouse, transport, and CHA teams to fix issues before they delay a shipment.
- Wrote SOPs, guides, and validation reports so the team could use these tools without me.

Client Success Executive (Internship), MFSG Garments

Jul 2024 – Apr 2025

- Managed orders from start to finish, keeping documentation 100% accurate.
- Worked with production teams on quality checks and got goods ready for dispatch.
- Tracked shipments and transport, and kept clients updated on delivery timelines.

EDUCATION

Bachelor of Commerce (B.Com), Accounting & Finance — KBS College

2021 – 2024 · Graduated with Honors

Higher Secondary Certificate (HSC) — Shree Machhi Mahajan English Medium School

2019 – 2021

Secondary School Certificate (SSC) — Institute Of Our Lady Of Fatima

2017 – 2019
