Summary

As a passionate and driven individual, I am eager to contribute my analytical skills and customer-centric mindset as a Business Analyst and Client Success Executive Intern. My goal is to leverage data-driven insights to enhance client satisfaction and drive business growth. I am excited about the opportunity to join your dynamic team, where I can learn, grow, and make a meaningful impact while delivering exceptional value to clients and stakeholders alike.

Experience

Apr 2024

Welspun

Business Analyst, Vapi

- Managed end-to-end export documentation and customer portal operations for multiple international clients, ensuring 100% compliance with customer-specific requirements, QC standards, and shipment deadlines.
- Prepared, validated, and submitted Commercial Invoices, Packing Lists, Bill of Lading requests, and other export documents while coordinating with QC, logistics, and customer teams.
- Automated manual business processes using AI, Python, and Selenium, reducing processing time from hours to seconds and improving operational accuracy.
- Developed and deployed 12+ automation solutions across documentation, finance, validation, and customer portal workflows, delivering significant productivity gains and annual manpower savings.
- Created technical documentation, SOPs, validation reports, and user guides for all automation projects to support process standardization, training, and long-term maintainability at Welspun.

Jul 2023 · Apr 2024

MFSG Garments
